SIXTIETH ANNUAL REPORT  
OF THE  
Calcutta Deaf & Dumb School  
SESSION 1952

---

1. The Executive Committee of the Calcutta Deaf & Dumb School beg to present their report for the session of 1952.

2. The number of pupils on the roll on 31st December, 1952, was 254 out of which 76 were girls. Out of 121 Boarders (boys 85 and girls 36), 51 were maintained wholly or partially by the District Boards of West Bengal, Municipalities, the Government of West Bengal, Assam and Nepal, Education Directorate (Orphanage and Refugee Relief and Rehabilitation Department,) Behary Lall Mitter Trust Fund, Eastern Railways Staff Benefit Fund, the Poor Fund of the School and by Mr. K. P. Punwani and other benevolent ladies and gentlemen.

3. During the year under report, the Receipts amounted to Rs. 2,21,979-13-4. The opening

balance was Rs. 8,998-12-3. The Expenditure amounted to Rs. 1,74,963-2-0, leaving a closing balance of Rs. 5,959-11-1 of the General Fund and Rs. 50,055-12-6 of the proposed Cottage Industries Institute Fund attached to the School.

4. The school had an administrative change due to the retirement of Shri Atal Chand Chatterjee from the office of the Principal on the 16th March, 1952, after a long and meritorious service of over 40 years. The Committee in appreciation of his service to the school and to the deaf in general passed the following resolution :—

“ Shri A. C Chatterjee’s retirement from the  
 “ office of the Principal of the school from  
 “ the 16th March 1952, was accepted. The  
 “ Committee recommended to the General  
 “ Committee that Shri Chatterjee might be  
 “ made an Honorary Member of the school.  
 “ The Committee took this opportunity to  
 “ record their heartfelt appreciation of the  
 “ services rendered by Shri Chatterjee for over  
 “ forty years which helped the growth of the  
 “ school to its present status of being the Pre-  
 “ mier Institution for the deaf-mute in India.  
 “ The devotion and the missionary spirit with  
 “ which he always worked was indeed unique.  
 “ His retirement has indeed been an irrepara-  
 “ ble loss not only to this school but also to  
 “ the cause of the education and upliftment  
 “ of the deaf-mute.” Dr. S. N. Banerji  
 succeeded Shri Chatterjee as the Principal.

5. Sm. Sadhana Sen Gupta, Sm. Malina Bala Paul, Sri Anil Kumar Ghosal and Sri Nilotpal Choudhury sat for the Primary Final Examination for 1952. All of them passed, the two girls receiving First Division Certificates and two boys receiving Second Division Certificates.

6. Shri Anil Chandra Mitra, M.Sc., who was sent to the Clarke School for the Deaf, U. S. A., returned home on the 13th October, 1952. He also worked for sometime in the Iowa University. He has been put in charge of the Auricular Section of the school. The Committee have provided for fitting up two more classes with Group Hearing Aids in 1953. They intend to expand facilities for auricular work so that every pupil may receive benefit from it in the near future.

7. The Teachers' Training Class started work with a new session on 1st July, 1952, with new batch of normal scholars,—Shri Ajit Kumar Roy, B.A., Shri Sushil Kumar Chakravarty, B.Sc., and Miss Krishna Mukherjee, B. A. They sat for their Final Examination in April, 1953 and came out successful. They have been appointed as teachers from 1st July, 1953.

The Committee beg to re-iterate in this connection what they reported last year. They feel that at least a certain percentage of teachers should have higher academic qualifications and more extended special training so that they may have the necessary background and technical knowledge to work as Supervising Teachers and Administrative

Heads. Dr. S. N. Banerji, our Principal, stressed this point in the meeting of the Expert Committee held at New Delhi and suggested that there should be a Central Training College for higher training of teachers. The Training Department of the Calcutta Deaf & Dumb School, with its long experience in this line, can be easily developed into a Central College in collaboration with the University of Calcutta.

Some anxiety was expressed by the few Regional Training Centres if a Central College were to be started. There is, however, no basis for any anxiety. The Regional Training Centres will continue functioning and will train teachers with lower academic qualifications. The Central Training College will give us the Supervising teachers and administrative heads while the Regional Training Centres will give us the general teachers. The Regional Centres should, however, be standardised under a certificate from a Proper Authority.

8. We reported in our last report our scheme to start a fully equipped Cottage Industry for which we had been already given a grant of Rs. 50,000/- by the Government of India. Our scheme was drawn up with an estimated budget of Rs. 2 Lakhs.

We must have floor space to give full shape to our scheme. We have already applied to the Government of West Bengal to requisition on behalf of the school the plot of land adjoining the school to the South. We have also written to the Government of India for more grant to enable us

to acquire the land and provide necessary accommodation for the Cottage Industry Section. In the meanwhile, we have set aside under a Separate Account the sum of Rs. 50,000/- already received from the Government of India.

The Industrial Department of the school was thoroughly re-orientated to ensure higher teaching efficiency and thus to improve income in the department.

9. The question of finding out suitable employment for the deaf has been as usual a thorny problem with us. The duty of the school does not end with the education of a pupil. He has to be usefully employed and followed up. This is a very difficult job for a school. We submit to the Government that the Regional Employment Exchanges may be directed to have special division for employment of the physically handicapped people.

10. The Annual Prize-distribution Meeting for the session of 1952 was held on 16th March, 1953, Dr. H. C. Mookherjee, the Governor of West Bengal, presiding and Mrs. Mookherjee giving away the prizes. The students gave a performance in Tableaux Vivants of the mythological story of "Harish Chandra" and two playlets (in speech),—Rabindranath's "Chandalika" and "Data Karna". The two playlets elicited high applause and it was a revelation to the public that deaf students could stage "Chandalika" in speech and dance.

11. During the year under review, the members of the Bengal Masonic Charities Association treated the students of the school to a steamer trip down the Ganges and a sumptuous dinner onboard. The trip, which was highly appreciated by the students, was actually taken in February, 1953. The students went to the Zoo on their annual cold-weather excursion. The Rotary Club of Calcutta entertained about 150 students under 12 years at the Botanical Gardens for the whole day with meals and gave prizes for sports. The Committee thank the Bengal Masonic Charities Association and the Rotary Club of Calcutta for the entertainment, the authorities of the Zoological Gardens for giving free admission to the gardens, and the Calcutta Tramways Company Ltd., for transport of the students to the gardens and to the steamer ghat at a very nominal cost and Messrs. Macneill & Co. for giving a steamer free of charge for the above-mentioned river excursion to the students. The Committee also thank the United States Information Services and the British Information Service for kindly entertaining the pupils by lending educational films to entertain the students with our school projector.

12. The Committee mournfully record their deep sense of sorrow at the death of Provash Chandra Mitra, a subscriber of the school.

13. The Committee take this opportunity to convey their grateful thanks to the proprietors of the Hindusthan Standard, Ananda Bazar Patrika,

the Modern Review, the Prabasi, the Udbodhan, the Hindu and the Sishu-Sathi for their free gifts of above mentioned papers and books and also the British and the American Information Services for their free gifts of books and magazines to the school library.

14. The Committee beg to convey their best thanks to the Government of West Bengal, the Corporation of Calcutta, the Founders of Scholarships and Endowments and to all Donors and Subscribers for their kind and generous help to the school.
